**This is a heartfelt plea to those of you who enjoy the Festival and who would like to attend such gatherings in future to “own” the Festival.**

We need a minimum of **R3,000,000** (three million Rand) a year to achieve all the activities we have planned. A million bucks isn't, well, *shouldn't be*, all that hard to raise. A simple equation is: **5000 people donate R20 a month** (R240 a year) and we'll have R1,200,000. And a R50 monthly donation would fund the **entire** Festival next year.

The way to make a hassle free donation to 8333 is by completing the below debit order form and returning it to us. Remember you may stop this donation at any time by simply informing us. Below are the options of monthly, quarterly and annual deposits.

8333 members are eligible for all kinds of give-aways and you will be informed by email when these are available. Please write the name of the city in which you live in the box.

Please enter your details below and return this page to us, either in person or to our postal address or fax number above. You may download it from our website (under the 8333 menu tab). Please make sure you sign the form (a PDF signature is also acceptable), scan and email to info@oia.co.za, or fax a signed copy to 021 461 40 62.

We thank you for your contribution!
